

Each member of RISC is 'committed to community' and brings a unique talent and perspective to the table. On average as a committee, these members have resided in the greater Roberts area for more than 20 years.

**Michael Gebhardt** (Chair): Mike is an engineering technician for the mining and petroleum industry and lives in town along Hwy 212. He has served on the Roberts Volunteer Fire Department and currently serves on the Roberts/CC Water & Sewer board.

**Alex Ator:** Alex is the Roberts School superintendent. He is currently pursuing a PhD in Education with the intent to continue to serve at the Roberts School.

**Frank Jarvenpaa:** Frank is a professional engineer with construction experience of large utility projects. He has served on the Carbon County Planning Board and currently serves on the Finnish Kaleva Park board. He lives south of Roberts and owns rental property in town along Hwy 212.

**Steve Keebler:** Steve is a native to Roberts and graduate of Roberts High School. He is a retired programmer/analyst for MDT. He currently serves on the Roberts Community Foundation Activities Committee, Roberts/CC Water & Sewer board and Roberts Cemetery District board.

**Sanford Langager:** Sanford is a retired heavy equipment operator from MDT. He currently operates his own trucking and cattle business. His home and business operation is located in town along Hwy 212.

**MarCo LaRowe:** MarCo operates a long standing construction business just North of Roberts along Hwy 212. He has been involved with a variety of Robert's community organizations at one time or another over the past 40 years.

**Jon Milligan:** Jon is a local science teacher with school age children of his own. He lives within Roberts and his children cross the highway to and from school daily. He currently serves on the Roberts Volunteer Fire Department.

**Dale Marie Muller:** Dale is a professional fine artist with her own business. She lives in town along Hwy 212 where she and her husband Frank operate their respective businesses.

**Chris White:** Chris is a software developer who relocated several years ago to Montana and lives in town with his wife and four children.
