

RISC
Roberts hwy 212 Improvement & Safety Committee

Committed to advocating for the Roberts community's needs and requests for a safe, functional and aesthetic result from MDT's Hwy 212 re-construction improvements.

**Roberts Hwy 212 Improvement
and Safety Committee**

Minutes for meeting #9

Tuesday, February 4, 2020 at 5:30 PM
Roberts School

- There were 8 people (total) in attendance= 8 of 9 committee members: Michael Gebhardt (Chair), Frank Jarvenpaa, Steve Keebler, Sanford Langager, Chris White, Alex Ator, Dale Marie Muller and MarCo LaRowe

1. Mike received an email from Glenn Oppel and was told that Glenn is planning a conference call asap with MDT officials in reference to our recent letter.

2. Sanford was informed by AI, contractor, that the east ditches are planned to be filled in this spring. We are still awaiting the official response from Glenn and the details on their design.

3. Brochures are currently being distributed with the surveys. All members have some and the online survey is now live. Filled out surveys should be passed on to Chris. He will hold on to them in case we need them at a later date.

4. Online presence options were discussed. Facebook was rejected and not thought to be our best option. We decided on pursuing a simple and affordable website design. Dale will explore our options and create one. We then can reach out to other local groups and ask to share it on their social platforms.

5. The Ystop design flaws were discussed again. Sanford plans to continue pursuing a reasonable solution.

6. We confirmed that we are fully prepared for our upcoming meeting with the commissioners in Red Lodge. We will have all of the needed literature about the speed reduction and center lane validity. Members that plan to attend are Mike, Frank, Sanford, Chris, Alex and Dale.

- Target the next community meeting for the end of February. We will plan on having a powerpoint presentation. We are still waiting for multiple responses from MDT so we can have as much information to share as possible.

- Meeting adjourned at 7:00 pm
